## Document Shredding

Everyone worries about Identity Theft —  
DON'T.

Start cleaning out those files of unwanted paper trails, place them in the truck or car and bring them to the Jackson County Transfer Station to have them shredded. Items people may want to bring include bank information, cancelled or blank checks, credit card offers/information, financial statements, personal bills, income tax records, insurance coverage, investment information, legal papers and medical records.

## AND . . .

Florescent light bulbs, household batteries, oil and latex paint (6 gallons from each household – More? We'll take them, but it will be \$1 per gallon, aluminum, small metals, news and office paper. **We've added Auto Oil and Auto Batteries.**
