Food Truck & Mobile Food Unit Permit

As per, ordinance No. 21-01 to provide regulations for the use of food trucks and mobile food units for other lawful purposes. Definition: A food truck is a licensed, motorized, vehicle or mobile food unit which is temporarily placed on a privately owned lot (or in authorized instances, on public property) where food items are sold to the general public. A food truck upon its establishment on a property is by definition an accessory use. A mobile food service unit is an independent trailer, motor driven or manually propelled pushcart, food truck, watercraft, movable portable structure, vehicle vendor or any other similar conveyance that is not connected to a permanent water supply or sewer disposal system and from which food is offered for sale or service.
