TYPE OF WORK PERFORMED

(CHECK ALL THAT APPLIES)

☐ New ☐ Existing ☐ Residential ☐ Commercial

Description/location of work:

GENERAL REQUIREMENTS

- Driveway apron(s) constructed under this permit are for the purpose of providing access to lots adjacent to the right-of-way. Maintenance will be the responsibility of the property owner.
- Applicant is responsible for submitting all applicable plans, reports, and/or drawings.
- Applicant is responsible for obtaining any additional permits required by the Georgia Department of Transportation and/or other government agencies.
- Applicant must maintain access to all sidewalks and driveways.
- The applicant for any land disturbing activity permit must be the property owner.
- Applicant must obtain planning department approval prior to development.

This application is true and complete to the best of my knowledge and the proposed work will meet all codes and ordinances of the City of Jefferson and City of Talmo, Georgia.
