My signature heron signifies that I am the person responsible for compliance with City of Jefferson's Soil Erosion, Sedimentation, and Pollution Control Ordinance. I acknowledge that if I fail to comply, city inspection staff may: refuse to make inspections, cash or call the surety instrument, issue stop-work orders, and issue summons to appear in Municipal Court for violations of erosion control requirements; and that I must use Best Management Practices (BMP's) to control soil erosion on my job site.

I also understand that failure to follow the city's requirements pertaining to soil erosion control may result in the city calling any or all sureties to remedy, correct or prevent any erosion-related problems or conditions.
